

# Public Comment Period – Recycling Rate

Purpose: Inform the methodology and identify key data points that EPA may include when calculating the national recycling rate.

- Sources of recycled material
- Material streams
- Material management pathways
- Material destinations

Information on the public comment period can be found at <https://www.epa.gov/americanrecycles/national-recycling-goal-recycling-rate-measurement-comment-period>

Comments will be submitted to [ORCRMeasurement@epa.gov](mailto:ORCRMeasurement@epa.gov) and will be added to docket # EPA-HQ-OLEM-2020-0443.

**Comments will be accepted until 11:59 PM ET on March 8, 2021**
