

## Top 30 Tech & Telecom

As of October 25, 2021, the combined annual green power use of EPA’s Top 30 Tech & Telecom Partners amounts to nearly 36 billion kilowatt-hours of green power, which is equivalent to the annual electricity use of more than 3.3 million average American homes.

| Partner Name             | Annual Green Power Usage (kWh) | GP % of Total Electricity Use* | Green Power Resources                         |
|--------------------------|--------------------------------|--------------------------------|---|
| 1. Google LLC            | 7,914,747,101                  | 93%                            | Solar, Wind                                   |
| 2. Microsoft Corporation | 6,684,879,000                  | 100%                           | Small-hydro, Solar, Wind                      |
| 3. Intel Corporation     | 5,022,773,872                  | 100%                           | Various                                       |
| 4. Equinix, Inc.         | 2,484,616,951                  | 106%                           | Biomass, Geothermal, Small-hydro, Solar, Wind |
| 5. AT&T                  | 2,360,337,220                  | 18%                            | Wind  |
| 6. Apple Inc.            | 2,202,581,271                  | 101%                           | Biogas, Biomass, Small-hydro, Solar, Wind     |
| 7. T-Mobile              | 1,757,017,000                  | 25%                            | Solar, Wind                                   |

| <b>Partner Name</b>                           | <b>Annual Green Power Usage (kWh)</b> | <b>GP % of Total Electricity Use*</b> | <b>Green Power Resources</b> |
|---|---------------------------------------|---------------------------------------|------------------------------|
| 8. Samsung Electronics                        | 1,339,124,850                         | 100%                                  | Biogas, Solar, Wind          |
| 9. Cisco Systems, Inc.                        | 1,063,237,505                         | 100%                                  | Solar, Wind                  |
