

**U.S. Environmental Protection Agency
Enhanced Air Quality Monitoring Direct Awards
12/5/2024**

Background

EPA has distributed almost \$22.5 million of American Rescue Plan Act funds to state, Tribal and local air agencies for enhanced monitoring of PM_{2.5} and five other air pollutants regulated by the [National Ambient Air Quality Standards under the Clean Air Act](#). Additional information is available at <https://www.epa.gov/arp>. EPA will update this table as additional awards are completed.
